This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of tw telecom of south carolina, llc (f/k/a Time Warner Telecom of South Carolina, LLC) (“tw telecom” or the “Company”) for cancellation of the Company’s indemnity bond on file with the Commission. tw telecom is currently certificated by this Commission to provide intrastate local exchange and interexchange telecommunications services within the State of South Carolina.

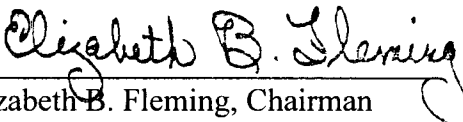

As required by the Commission, companies offering or providing prepaid calling card services in South Carolina shall post a surety bond or certificate of deposit for the prepaid calling card services in the amount of \$5,000. tw telecom presently holds Indemnity Bond #41130752 issued September 26, 2007, by Platte River Insurance Company. tw telecom, by letter from the Company’s counsel filed September 9, 2008, requests that the bond be cancelled. According to tw telecom, the Company does not

provide prepaid calling cards or prepaid long distance services; therefore, the bond is not needed for the Company to offer telecommunications services in South Carolina.

Upon consideration of tw telecom's request, the Commission finds that the request of tw telecom to cancel the Company's bond should be granted. Accordingly, Indemnity Bond No. 41130752 entered into by Platte River Insurance Company and tw telecom of south carolina, llc (f/k/a Time Warner Telecom of South Carolina, LLC) is hereby cancelled.

This Order shall remain in full force and effect until further order of the Commission.
